

20-25 August 2023 World Forum The Hague, The Netherlands

## Sponsor & Exhibition opportunities

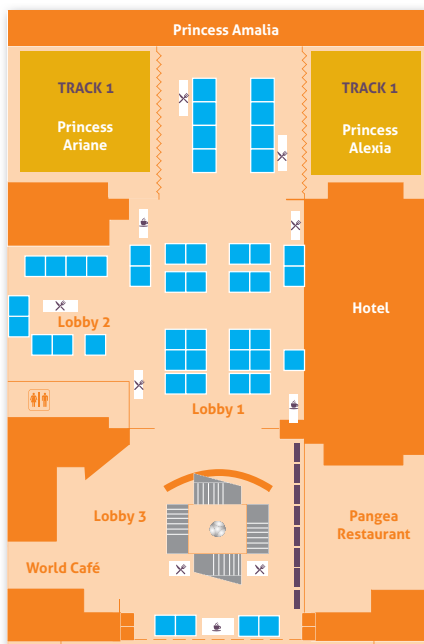

We are expecting over 2,000 chemists from all over the world and across all chemistry disciplines!

### Why become a sponsor or an exhibitor?

- Connect with the international chemistry research community!
- Increase your visibility and expand your global network
- Meet your future recruits from over 1000 young researchers and get in touch with new partners or customers
- Get an overview of the latest scientific breakthroughs and hot topics in chemistry
- Start your next public private partnerships, helping you to accelerate innovation
- Showcase your expertise and big ideas
